

NOTES FOR FRANKIE'S KNITTED STUFF ... CARD CASE

- It should be a super quick little project for you.
- We are using an equivalent yarn and needles for this project.
- We will use a US #2 or 2.75 mm needle. Short straight bamboo needles or 24" circular ones for knitting straight. The finished project will be seamed on the sides.
- We are knitting this rather tightly to hold the shape and contents!
- If you are unable to complete the project before the next session is up return the project even if unfinished. We are trying to make sure all projects are returned in a timely manner.
- You know you can always reach me if you need help in the in between time!
